

Marsh (25 MFA) floats to win (despite having to have a fitness test) By Dennis Fuller 02-10-2011

On a day more suitable for mud wrestling than golf, at Emerald Golf Club last Saturday, when normal folk were sitting under shelter admiring the breaking drought, President, Jeff Marsh (25) slogged to an easy win with 41 stableford points. With a bit of luck the new format might see The Teflon Kid drop below 25.

Of the "Great Washed" the better scores were Con Ferrari (22) 38, Peter Clowes (16), Ken Hill (15) 34 and Ken Sumsion (26) with 33.

As happens on most Saturdays, Leigh Morison was nearest the pin on the 4th, Con Ferrari the 7th, Peter Clowes the 12th, Eddie Kloprogge the 13th and Ken Hill pocketed the pro pin cash on the 18th.

Of the ladies, Davina Harvey played brilliantly to deny the pouring rain to win from Irene Scott and Brianna McCoy who fought out a titanic draw for second place. I did see Irene and Brianna pass my place and I think the tide might have just come in on the 14th green. I note that some old dill near that green seemed to be amassing a heap of animals to put in a boat?

On Wednesday in the Obliquely Faded Golf (OFG) Leigh Morison (18) enjoyed the glorious conditions before the drought broke when he strode in triumphantly with 45 stableford points. The nearest to him was Moss Fuller (17) who managed 37 points. The ball was rolling at summer rates and the oldies were smacking it further that they have for months.

Next Saturday the heavies will be wheeled out with the first day of the three day club championships. It is expected that there will be some frantic honing of skills for this event with close to minimal results in a positive sense.
