

O'Brien stars in win

SMALL NOTE OF THANKS:

You may have noticed that the edges of the bunkers had been whipper-snipped.....Fergie The Rain Man strikes again with his volunteer labour!!!

By Dennis Fuller

Beautiful conditions on a drying Emerald Golf Course greeted players on Saturday for a stableford event. At the end of the brash and curse, Garry O'Brien (26) from Olinda Golf Club beat the field with 43 points. This was also better than the rest of the C Graders.

A Grade was won by Dennis Fuller (13) with 38 points while Dean Shannon played exceptionally well after a break to win B Grade with 41 points.

Others to do themselves proud were Brian McCoy on 41, David Mackey and Davis Aitken on 40, Allan Ecclestone and Ian Cranston 39, Peter Clowes on 37.

The ladies comp was fought out to the wire with Jennifer Marsh and Peta Jones tying for the trophy.

Mackey had the longest drive on the 1st and nearest the pin on the 12th. Shannon was nearest the pin on the 13th and nearest after two shots on the 17th.

Ecclestone played a magnificent shot to pocket the pro pin pesos on the 18th. Hit the green 4foot from the holes and back spun away another 3 feet. My goodness he was modest about the shot while others were a little surprised.

Wednesday's Obviously False Golf (OFG) was an ambrose event. In the end it was the pairing of Bob Kennedy and Dennis Fuller (7.25) who won with a nett score of 61.75 with Mick Petrie and Ken Hill (12.5) next home with 64.5. Kennedy polished off his successful day by winning the putting comp on the 19th.

THE SHOT OF THE DAY.....

Ian Cranston stood on the 5th tee and drove onto the green.

Would have been a bloody good shot but for the fact that he landed on the 4th green.

Methinks he must have had some pinball action to do that?

BEST RESULT OF THE DAY ...

When Ian's drive on the 5th hit the 4th green it upset the putting of one Mr Pierre Clowes who subsequently missed the putt he would normally have made.

See Sometimes there is a reward for a bad shot!

Next Saturday player's front up for the first VGL Monthly Medal for the year with many loose promises of starring roles proffered.
